Vice President, Philanthropy & Community Engagement

Neighbours feeding neighbours.

The Regina Food Bank is looking for a strategic, relationship-centered leader to guide our fundraising, philanthropy and community engagement work. This is a genuine opportunity to shape where our organization goes next — building a clear, sustainable plan that deepens community support, broadening the base of donors and partners who make our work possible, and growing a team that brings passion and excitement to making a difference in our community.

What You'll Do

- **Lead our philanthropy and fundraising strategy** — guide the annual plan, goals and budget, and report on progress to the CEO and Board.
- **Build donor & partner relationships** — build lasting relationships with corporate partners, community groups and major donors.
- **Lead events, big and small** — plan and oversee our own fundraising events and support partner-led events.
- **Guide our voice** — lead marketing and communications with the support of external vendors, ensuring our story reflects our mission and reaches the right people.
- **Build a team that cares** — recruit and develop staff and volunteers who bring passion and excitement to responding to our community's needs.

What You'll Bring

- **Degree in** — business, communications, non-profit management or a related field — or equivalent experience.
- **7 years** — of progressive fundraising, philanthropy or development experience, including 3+ years in a leadership role.
- **A strong ability** — to build relationships and genuine connection in support of fundraising and philanthropy work.
- **Experience** — with donor stewardship, corporate partnerships and special events is an asset.

This is a visible, in-person leadership role. You'll spend most of your time at our Regina warehouse and in the community, with staff, volunteers, donors and partners, including evening and weekend events from time to time. We also know focused work sometimes happens best elsewhere, so there's some flexibility for occasional remote days.
