

This is not just a Corporate Challenge, it's H♥pe.

Regina Food Bank in partnership with Mosaic is raising **one million meals** to fight hunger in Regina from **October 15 - November 7, 2025**.

From our mines and our farms to people's tables - Regina always rallies behind those that need us! This year, we are inviting corporate teams to help us raise 45,000 meals and share HOPE for our neighbours.

How does it work

Corporate teams of 4 will compete in a 3-station race against each other (1:1 format) where you will need to complete a series of puzzle-like challenges faster than your opposing team. Don't worry - there's no running involved!

The team that completes it the fastest, will receive a grand prize.

Let's have fun while fighting hunger!

Did you know?

The Regina Food Bank serves 17,000 people every month. Almost half of them are children. But we can do something about it!

Thanks to **Mosaic**, donations to the Million Meal Challenge are matched up to \$75,000!
