The Mosaic Meal Mile

The Regina Food Bank is raising 1 million meals to fight record hunger.

For the wrap up of our annual campaign, the Mosaic Million Meal Challenge, we are asking the community to help us create a **mile long** trail of food around the concourse of Mosaic Stadium, while helping us raise funds to feed our community!

When you sponsor yards, we will provide the food items needed to build the food path and your team gets to have some fun while fighting hunger!
